hereinafter referred to as the Product Partner, will collaborate with Trees for All on making a concrete contribution to a sustainable world through the donation of trees.

DONATION

The annual donation to Trees for All is a minimum of 150 trees. The actual amount of the annual donation is linked to a:

, namely:

The estimated annual donation to Trees for All is: €

PROJECTS

On receipt of the donation, Trees for All will take care of the tree planting in the Netherlands and abroad, half of which will be planted in the Netherlands. The planting location in the Netherlands is determined by Trees for All. The trees abroad are intended for the reforestation project in Ghana.

DONATION AMOUNT

The donation amount of planting one tree is 5.00 Euros. Trees for All reserves the right to change the donation amount in the interim to the current rate.

PROMOTION AND COMMUNICATION

The Product Partner's logo will appear on the Trees for All website with a URL. The Product Partner may use the Trees for All logo on their own website as well as other digital communications. On ending the collaboration, the Product Partner will remove the Trees for All logo from their website. The Partner is not allowed to place the name and logo of Trees for All on its products, unless Trees for All has given written permission for this.

INVOICING

The first donation is equal to the minimum contribution of 150 trees and takes place directly after signing this declaration. Trees for All sends a request for payment of the amount owed. Trees for All will check on the definitive donation in December of the current year. If the actual donation, at the end of the year, amounts to more than 150 trees, then Trees for All will send a request for payment of the remaining amount. At the end of June and the end of December of each subsequent year, the Product Partner will inform Trees for All of the amount of their donation, following which Trees for All will send a request for payment for the amount owed. The Product Partner guarantees a minimal annual donation of 150 trees.

DURATION

The collaboration will commence on _____, after signature of both parties and will apply for a minimum of 2 years. Either party may terminate the agreement in writing, in accordance with a term of notice of at least one month.
