### DONATION

The annual donation to Trees for All is € \_\_\_\_\_ and comes into effect immediately after signing this agreement. Trees for All sends a request for payment for the amount due. This amount is then invoiced annually by Trees for All in the same period. At the end of each year, Trees for All sends an e-mail with a donation link for a possible additional donation.

The Tree Partner guarantees an annual donation of at least 150 trees (€750). The donation amount for the planting of one tree is €5.00. Trees for All has the right to adjust the donation amount in the meantime to the rate then applied.

### PROJECTS

After receiving the donation, Trees for All will allocate this amount to the planting of trees. Half of the trees are planted by Trees for All in a Dutch project. The other half will be planted abroad in a project of your choice:

After the first year, Trees for All allocates the donation to one of the available projects where we are planting trees at that time.
